La Finca Golf 8 Agosto 2020 LOCAL RULES

Circuit only for players of legal age

TOURNAMENT ONLY FOR PLAYERS - CADDIES AND NON-PLAYER COMPANIONS ARE NOT ALLOWED

PREFERED LIES AND, ALSO ON BUNKERS

OUT OF BOUNDS.

When the out-of-bounds is defined by white stakes, walls, or fence posts (excluding angled supports), the out-of-bounds line is determined by the points closest to the field of such stakes, walls, or fence posts, measured at ground level. When there is a wall with a fence on it, it will be the wall that defines the out of bounds.

On hole 6, the out-of-bounds behind the green is defined by the back wall, even though there are old out-of-bounds graffiti on the ground.

GROUND UNDER REPAIR.

In the areas marked with blue paint you can drop without penalty without gaining distance to the hole.

Hole 8. Areas without grass near the Green marked with blue paint are ground under repair and the ball can be dropped without penalty and without gaining distance to the hole.

Hole 9. The non-grass areas near the green marked with blue paint are ground under repair and the ball may be dropped without penalty and without gaining distance to the hole.

The greens and bunker in the practice area to the right of the 9th hole are considered ground under repair, so the ball can be dropped without penalty and without gaining distance to the hole.

DROPPING AREAS

Hole 6. The drop zone for hole 6 is located on the orange bars tee.

Hole 16. Play is prohibited in the area marked by ropes to the left of the water hazard up to the stone wall. The dropping zone is to the right of the water hazard, before the bunker marked on the ground.

The dropping zone is a relief area under Rule 14.3. When dropping the ball, take into account:

- * The player can be inside or outside the drop zone when the ball drops.
- * The ball must be dropped within the drop zone and remain at rest within the drop zone.
- * If the drop zone is defined by a line, the line is inside the drop zone.
